Gladness Comes

With a better understanding of the transient nature of the many physical ills, which vanish before proper efforts—gentle efforts—pleasant efforts—rightly directed. There is comfort in the knowledge that so many forms of sickness are not due to any actual disease, but simply to a constipated condition of the system, which the pleasant family laxative, Syrup of Figs, promptly removes. That is why it is the only remedy with millions of families, and is everywhere esteemed so highly by all who value good health. Its beneficial effects are due to the fact, that it is the one remedy which promotes internal cleanliness without debilitating the organs which it acts. It is therefore all important, in order to get its beneficial effects, to note when you purchase, that you have the genuine article, which is manufactured by the California Fig Syrup Co. only and sold by all reputable druggists. If in the enjoyment of good health, and the system is regular, laxatives or other remedies are then not needed. If afflicted with any actual disease, one may be recommended to the most skillful physicians, but if in need of a laxative, one should have the best, and with the well-informed everywhere, Syrup of Figs stands highest and is most largely used and gives most general satisfaction.

RAILROAD RIOT IN THE EAST.

Republican Silver Men Put Up Another Ticket in Idaho—Oregon Parties Fuse.

A RICH GOLD DISCOVERY.

General Happenings Throughout the Country.

ALBANY, N. Y.—The second day of W. J. Bryan's trip westward from the seclusion of Red Hook was an eventful one crowded with a variety of incidents of travel including a picturesque reception at a summer hotel, a stirring speech to a crowd of working men at the town of Kingston and culminating in a great meeting at Albany.

where the candidate spoke to a crowd estimated at from 7,000 to 10,000 packed in City Hall square under the shadow of the state house. Before this demonstration Mr. and Mrs. Bryan sat down to dinner with Senator Hill and prominent Albany Democrats at the senator's magnificent home known as Woolberts Roost, whither they were driven directly from the depot where a strong lunged crowd nearly mobbed them on their arrival. For nearly three hours Mr. Bryan was the guest of the New York senator and although every participant in the dinner averred that it was a purely social affair their descriptions were taken with a grain of salt being the general impression that an understanding was reached which will insure Mr. Bryan the support of the party organization in the state.

BOISE, Idaho.—The two factions of the republicans will meet in separate conventions tomorrow. Each side will name a full state ticket. The silver men will endorse Bryan electors named by the democrats and the McKinley men will put up a straight McKinley electoral ticket. Senators Dubois and Shoup are here leading their respective sides of the fight.

CHANNING, Mich.—The city of Ontonagon, Mich., is burning, and people are fleeing for their lives. A special train has been sent from Green Bay.

WILLIAMSTOWN, Ky.—A telegram has just been received from the superintendent of the Louisville & Nashville railway, requesting that officers be dispatched to Eagle tunnel, near Elliston, where a railroad riot was going on. The dispatch states one man has been killed and another fatally stabbed. A posse left for the scene.

NIGHT HAWK, Colo.—This camp is excited over the discovery of gold ore

carrying a value of \$80,000 per ton. The prospector who shows the rich samples refuses to reveal the exact location until he can make his title to a claim secure.

PORTLAND, Ore.—The democratic and populist state central committee in joint session this evening agreed upon a plan of fusion. The democrats surrendered entirely and the ticket in the state will be Bryan and Watson.

NEW YORK.—The clearing house loan committee met today and adjourned without receiving applications for certificates.

KANSAS CITY CATTLE MARKET.

Kansas City.—Light run in Texas division; good market on cows. Demand for stockers and feeders good. Arizona stockers; \$2.30 @ 2.35 above 1000 pounds; Arizona feeders, \$2.75 above 1000 pounds; N. M. steers, \$2.40 @ 2.70 above 1000 pounds; N. M. cows \$1.20 above 627 pounds.

say, your money back if you don't like our "cheaper" teas.

We should lose money; everybody would want money back.

But we do say money back on Schilling's Best—there is no better tea. Nobody wants money back; everybody wants more tea.
